⚙️ HOW EACH TOOL ACTUALLY WORKS

NotebookLM

Your AI Study Companion by Google

- 1 Upload your PDFs, notes, slides or docs
- 2 AI reads and understands all your material
- 3 Ask any question — it answers from YOUR notes
- 4 Converts notes into Audio Podcast automatically
- 5 Listen while commuting — no reading needed!

Notion AI

Your All-in-One Workspace

- 1 Create pages for notes, tasks and projects
- 2 AI helps write, edit and improve your content
- 3 Summarize long documents in seconds
- 4 Auto-create flashcards and action items
- 5 Plan semester, track assignments, organise everything

⚡ WHICH TOOL SHOULD YOU OPEN?

You Have Study Material to Manage

Do you want to LISTEN to your notes as audio?

YES ✓

Open NotebookLM

Upload docs → get audio podcast of your notes instantly

NO — Want to ORGANISE?

Open Notion AI

Plan, write, summarize and track everything in one place

📌 SAVE THIS — YOUR STUDY TOOLS CHEAT SHEET

Use NotebookLM When...

Use Notion AI When...
